

Kagan

Accelerating Achievement

Lakeland, FL • May 22, 2010

For Grades K-College

Workshop Highlights...

Based on years of experimentation and field-testing, Dr. Spencer Kagan has perfected simple, research proven instructional strategies to accelerate achievement. Come experience these engaging strategies that accelerate achievement. Learn proven methods to increase excellence for all students while simultaneously increasing equity by decreasing the gap between low and high achieving students. Apply easy-to-learn, easy-to-use strategies to transform the learning experience for all students!

Discover New Paths to Achievement

- Explore the 5 Critical Dimensions to boost achievement
- Couple the best theory with practical, proven techniques
- Transform how you look at your class, your students, and yourself
- Release the power of underutilized student and teacher states and actions that drive achievement

Master New Structures for Achievement

- Strengthen neural pathways — escalate retention with **Window Panning**, **Mind Mapping**, and **Overlap Map**
- Foster supportive peer relations — Play **Swap Talk**
- Create a buzzing think tank — Unlock hidden creativity with **4S BrainStorming**
- Boost recall — Create full engagement with **Rappin' Teams**, and **DoOne-TellOne**
- Unleash synergy — Stimulate synthetic thought: **Crystallize It!**

Empower Yourself and Your Students

- Inspire passion for learning with mirror neurons!
- Send self-esteem soaring
- Optimize motivation and flow — pair support and challenge
- Liberate curiosity, intrinsic motivation, and love of class and content
- Differentiate instruction to make every student a winner!
- Teach ways students best learn!

Create a Community of Learners

- Forge the inclusive, caring community through proven classbuilding and teambuilding
- Give every student a circle of peer encouragement, support, and tutoring
- Build a class culture of mutual acceptance and joyful learning
- Develop the conditions for full engagement
- Solve the achievement challenge
- Get results!
