

Associate of Science in Nursing ASN Program Generic Track

The Associate of Science in Nursing program is a limited admissions, face to face program. Student must meet the following admission criteria to be eligible to apply:

- Maintain a minimum, overall GPA of 2.5
- Achieve a minimum of 70 on the ATI TEAS exam
- Complete all pre-requisites with a grade of C or better
- Students may not repeat a prerequisite science or math course more than once to be considered for acceptance.

All prerequisite science and math courses must be taken in less than 7 years from the time of application, unless currently practicing as an LPN, EMT, Respiratory Therapist or military medic. (must be verified on form DD214)

ATI TEAS Exam:

- Students must register and take the TEAS exam prior to applying to the nursing program.
- Scores must be from the last 2 years.
- Financial aid does not cover the TEAS exam, cost for the exam and restrictions on how often a student may take the exam are found on the polk.edu nursing webpage listed below.
- Students must take the TEAS Exam at an in-person testing site; online proctored TEAS exam scores are not accepted.
- See the ASN page at polk.edu/nursing/associate-in-science.com for instructions on how to register and ensure Polk State receives your scores. Students must register via the Polk Continuing Education page to be eligible for any current student discounts.

Admission:

In addition to the Polk State College application, all applicants must apply to the Nursing program with an application through ETRIEVE (*select forms, then the nursing tab*). Application windows are as follows:

Fall Semester Start:

- Early Admissions: January 15 - March 1
- Late Admissions: March 15 - March 25

Spring Semester Start:

- Early Admissions: June 1 - September 1
- Late Admissions: October 15 - October 25

- Applicants will be notified via their @my.polk.edu email address regarding full admission, conditional admission, or non-admittance within 4 weeks of the close of the application window.
- In order to reserve your spot in the program, students must complete an attestation and Level 2 Background check (*instructions will be attached to your admission email*).
- Students will also be notified of a mandatory in-person orientation on the Lakeland or Winter Haven Campus. Students who do not attend the orientation, regardless of admission, attestation, or background check completion, will not be eligible to begin the program that semester.

Nursing Clinical Compliance:

All accepted students who have attended the in-person orientation will be enrolled in the Canvas Clinical Compliance Course. Please monitor this course for important announcements, compliance deadlines, and other communications.

Advising:

Once the student has been accepted to the nursing program, our academic advisor for nursing, Mrs. Jeanette Grullon, will assist students with questions regarding background check, and registration. Mrs. Grullon's email is jgrullon@polk.edu, phone number 863-292-3738.

Co-requisites and Course Progression:

- See progression plan on the following page. All courses must be completed with a C or better.

Accreditation: The ASN program is accredited by the Accreditation Commission for Education in Nursing (ACEN): 3390 PEACHTREE RD NE, SUITE 1400, ATLANTA, GA 30326. Phone: 404.975.5000
