\*Each parent has the right to pick-up, visit, and meet with his/her student at school, without interference of or the need for consent from the other parent, unless the school has received a certified copy of an enforceable court order that provides to the contrary. In addition, a court order is necessary to deny records access to parents/guardians.

**Voluntary SchoolMessenger Opt-In Consent Form for General Messages**

Polk County Public Schools (PCPS) utilizes an automated parent notification system to quickly and efficiently notify parents of important school and district information. Such notices may include information regarding **school closures/delays, security alerts, absence notifications, cafeteria balances, and upcoming school activities**.

Due to recent changes to the Telephone Consumer Protection Act (TCPA), parents are now **required to provide prior expressed consent to receive automated communications on their mobile device**. This means parents must provide express consent to receive general messages through automated calls and/or SMS text messages on their mobile device(s). Consent is not required if the call or text is for emergency purposes or if made directly from a principal, teacher, or other staff member.

Note: you can revoke consent to receive these messages at any time. Please take a moment to fill out this consent form below indicating whether you desire to receive these important messages in the future.

PARENT/GUARDIAN SCHOOLMESSENGER CONSENT FOR GENERAL MESSAGES:

I, \_\_\_\_\_, voluntarily consent to give PCPS permission to contact me via my cellular device for automated phone calls or SMS text messages for general messages. I understand that emergency notifications are excluded from this permission and will be sent as normal. **By signing, I am stating that I am the owner of this cellular device and its user contract. I also certify that I will notify the school immediately if I change or deactivate this number.**
