

Bachelor of Science (BS) Aerospace Sciences (Professional Pilot Concentration)

This Program Map is Part of the **Industry, Manufacturing, and Construction Pathway**

This Program Map is for students who plan to earn a BS degree in Aerospace Sciences with a concentration in Professional Pilot at Polk State College. Admission to this program requires an associate degree from a regionally-accredited institution and the following FAA certifications: Private Pilot, Instrument Rating, and Commercial Pilot. For more information about admission criteria, [please refer to the College catalog](#). Students who are interested in earning a BS in Aerospace Sciences with a concentration in Professional Pilot and do not currently have an associate degree should follow the Program Map for Associate in Science (AS) in Professional Pilot Science. This Program Map is intended to serve as a guide, and students should always meet with their Student Success Advisor to develop a personalized Educational Plan.

Program Map for Students Attending Full-Time Entering with an AS Degree in Professional Pilot Science
