

## Associate in Science (AS) Aviation Maintenance Administration

This Program Map is Part of the **Industry, Manufacturing, and Construction Pathway**

This Program Map is for students who plan to earn an AS degree in Aviation Maintenance Administration at Polk State College. In order to complete this program, students must complete a Federal Aviation Administration-approved 14 CFR Part 147 Aviation Maintenance Technician School and hold a valid FAA Airframe and Powerplant (A&P) Certification. For additional information, [please refer to the College catalog](#). This Program Map is intended to serve as a guide, and students should always meet with their Student Success Advisor to develop a personalized Educational Plan.
