

Bachelor of Applied Science in Supervision and Management (BAS) Concentration: Public Administration

This Program Map is Part of the **Business Pathway**

This Program Map is for students who plan to earn a BAS degree in Supervision and Management with a Public Administration Concentration at Polk State College. Admission to this program requires an associate degree from a regionally accredited institution. For more information about admission criteria, [please refer to the College catalog](#). Students who are interested in earning a BAS in Supervision and Management and do not currently have an associate degree should follow the Program Map for Associate in Science (AS) in Business Administration with a Public Service emphasis. This Program Map is intended to serve as a guide, and students should always meet with their Student Success Advisor to develop a personalized Educational Plan.

Full-Time Program Map for Students Entering with an AS Degree
