

**ADDENDUM TO THE DUAL ENROLLMENT ARTICULATION AGREEMENT FOR 2020-2021
BETWEEN
POLK STATE COLLEGE,
POLK STATE LAKELAND COLLEGIATE HIGH SCHOOL, AND
POLK STATE CHAIN OF LAKES COLLEGIATE HIGH SCHOOL**

This addendum is an extension of the Dual Enrollment Agreement between Polk State College (hereafter referred to as the "College"), Polk State Lakeland Collegiate High School, and Polk State Chain of Lakes Collegiate High School (hereafter referred to as "collegiate high schools"). Unless otherwise specifically noted, this addendum does not replace regulations outlined in the Dual Enrollment Agreement.

Course and Credit Limits: Addendum to "A List of Any Additional Initial Student Eligibility Requirements for Participation in the Dual Enrollment Program"

Because providing students with the opportunity to earn college credits while enrolled in high school is a significant component of the mission of the collegiate high schools, collegiate high school students are not limited to the credit limits referenced in this agreement. Students will adhere to the College's maximum course load limits policy as specified in the College Catalog and Handbook.

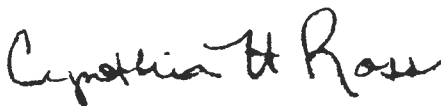

Execution of Agreement

This Addendum Agreement may be amended upon the mutual agreement of both parties should State Board of Education Rules, Florida Statutes, or interpretations require such action.

This Addendum shall commence for the 2020-2021 school year and will be reviewed annually to consider revisions.

IN WITNESS WHEREOF, the parties hereto have caused this Addendum and Dual Enrollment Agreement with the collegiate high schools to be executed by the dates indicated below.
