WOW! Where is the time going! I just one short month, our seniors will cross the stage for their high school graduation with the fanfare from family and friends. Our Juniors will be ready to move up and will begin taking their formal senior pictures. We will have a new group of students who will begin as GHS students and our instructors will go on summer break to get refreshed and renewed as we prepare for our year of "Growth Mindset." We are EXCITED for those who are closing a chapter and we are also EXCITED for those starting new chapters!

Always REMEMBER, "You" don't have to be perfect to be AMAZING!

TUTORING

We want to ensure that our students are getting the help that they need. For college classes, students have access to the TLCC in person and online via Canvas.

For college and high school, students should ALWAYS communicate with the instructor when they don't understand something. Fridays are used for remediation as students need it, but they must communicate and arrange

that with the teacher. Our teachers are here to assist. Parents for high school classes that students may be struggling in, please be sure remain in constant communication with the teacher.
