

Bachelor of Science (BS) Nursing

This Program Map is Part of the **Health Sciences Pathway**

This Program Map is for students who plan to earn a BS degree in Nursing at Polk State College.

Admission to this program requires an active, unrestricted license as a Registered Nurse and an associate degree in nursing from a regionally-accredited institution or a diploma in nursing with General Education courses from a regionally-accredited institution. For more information about program admission criteria, [please refer to the College catalog](#). Students who are interested in earning a BS in Nursing and do not currently have an associate degree should follow the Program Map for Associate of Science (AS) in Nursing. This Program Map is intended to serve as a guide, and students should always meet with their Student Success Advisor to develop a personalized Educational Plan.

Program Map for Students Attending Full-Time
