

Electrical Distribution Technology

The Power Academy at Lakeland High School prepares you for the Lakeland Electric Lineman Apprenticeship program. Through the apprenticeship program, you can earn up to **36 FREE college credits** in the Electrical Distribution Technology Associate in Science degree program at Polk State College.

Career Pathways – How it Works

Career Pathways is a partnership program that allows career academy students to earn college credits in their high school courses of study, saving them time and tuition costs.

= **FREE** College Credits
