

Polk State College Tuition Payment Plan (TPP) (202720 – 202760)

Polk State College, in cooperation with NELNET Business Solutions (NBS), is pleased to offer students a flexible, no-interest Tuition Payment Plan (TPP). Below are some highlights and important dates.

- Enrollment is simple. In [Polk Portal](#), click the **College Payment Plan** card from the **Dashboard**; create an account and choose your plan.
- A new plan is required for each term.
- The earlier you sign up, the more payment options you have and the lower your enrollment fee and down payment.
- You must be enrolled in classes before you can enroll in a TPP.
- You cannot add existing Polk State College debt to your plan.
- You must have an active email address and method of payment at the time of enrolling in a plan. We strongly suggest that you activate and utilize your Polk State College email account, as this is the official method of communication with the College. Your email account can be accessed through [Polk Portal](#).
- Your down payment is due at the time of enrollment.
- Your enrollment fee is **non-refundable**.
- Your plan balance may **not** be automatically updated if financial aid is received or a class is added or dropped.
- **Refunds** of overpayments to NELNET will be issued by Polk State College 60 days after the last day of the add and drop period (per agreement) for the main term session.
- If payment and fees are not current, NBS reserves the right to terminate your agreement.
- If your agreement is terminated by NBS for any reason (NSF, bad account number, etc.), you will be responsible for ALL fees due to the College and any payments to the plan (minus any fees due to NBS) will be refunded to you 60 days after the last day of the add and drop period (per agreement) for the main term session.
