

## Associate in Science (AS) Professional Pilot Science

### This Program Map is Part of the Industry, Manufacturing, and Construction Pathway

This Program Map is for students who plan to earn an AS degree in Professional Pilot Science at Polk State College. Students in this program must complete flight lessons and pass appropriate Federal Aviation Administration exams. Fees for flight training are in addition to tuition and student fees. To learn more about the program and flight training costs, <u>please refer to the program website</u>. This Program Map is intended to serve as a guide, and students should always meet with their Student Success Advisor to develop a personalized Educational Plan.

| Term                                    | Course ID    | Course Title                                  | Credits     |
|---|--------------|---|-------------|
| Term 1                                  | MAT 1033     | Intermediate Algebra (See Note 2 Below)       | 3 Credits   |
| 16 Credits                              | PSY 2012     | General Psychology                            | 3 Credits   |

|   |              | Below)  |             |
| 13-14 Credits                           | HUM 2020, or | Introduction to Humanities, or                | 3 Credits   |
|   | PHI 2600     | Ethics  |             |
|   | Elective     | Approved Elective (See Note 5 Below)          | 8 Credits   |
| Total Required Program Credit Hours: 64 |              |   |             |

### Program Map for Students Attending Full-Time

Total Required Program Credit Hours: 64

### A Few Notes:

- 1. Students must meet all graduation requirements. To learn more about graduation requirements, please refer to the College Catalog.
- Students must earn an appropriate score on a placement examination or complete MAT 1033 in order to enroll in MAC 1105. MAT 1033 is not included in the program of study and does not count toward total required program credit hours.

- 3. Students must possess a valid Private Pilot Certificate in order to enroll in ATF 2305L. ATF 1100L is not included in the program of study. Students who take ATF 1100L may request that this course be counted toward required elective hours.
- 4. Students who take a 3-credit-hour Natural Sciences Course must take a 3-credit-hour Wellness Course. Students who take a 4-credit-hour Natural Sciences Course should take a 2-credit-hour Wellness Course.
- Students must earn 8 credit hours from the following list: ATF 2403L, ATT 2130, ATF 2500L, ATF 2530L, ATF 2510L, INP 1390, GEB 1011, MAN 2021, CGS 1100, AVM 1010, AVM 1022, AVM 2410, AVM 2475, AVM 2510, ASC 2949, and ASC 2560. It is strongly recommended that all students take ATT 2130, ATF 2403L, and ATF 2500L. Students who take ATF 1100L may request that this course be counted toward required elective credit hours.

Program: AS-26110 - 2019-2020 Catalog Year
