

## Associate in Science (AS) Respiratory Care

This Program Map is Part of the **Health Sciences Pathway**

This Program Map is for students who plan to earn an AS degree in Respiratory Care at Polk State College. This program is a limited admission program. Students must complete pre-requisite courses, meet all program admission requirements and criteria, and submit a program application. Program spaces are limited. To learn more about the program pre-requisites and admission criteria, [please refer to the College catalog.](#)

The Program Map for Pre-Admission Students is intended to serve as a guide for students to complete pre-requisite courses and general education requirements. It has been designed to illustrate the fastest path to finishing your degree. You can complete pre-requisite courses as your schedule permits.

Students should always meet with their Student Success Advisor to develop a personalized Educational Plan. The Program Map for Admitted Students presents the required sequence of courses for students who have been admitted to the program.
