Additional Information

Career Coach

Are you interested in learning more about the careers this program will prepare you for? If so, check out Career Coach. Career Coach provides information on job openings, wages, education requirements, required skills, and job postings. You can even complete a career assessment to find careers that match your interests. To learn more about the careers that this program will prepare you for, [please visit Career Coach](#).

University of South Florida Fuse

Students interested in this transfer intent may be eligible for the USF Fuse program. Fuse is a transfer program between the University of South Florida and Polk State College. This partnership provides a seamless academic pathway for students to complete their associate degree, which guarantees admission into specific majors at USF and promotes timely graduation. To be eligible, students must complete their AA degree within three years of high school graduation. To learn more about the Fuse program, [please click here](#).
