# Study Abroad Spring 2026

## ENGLAND

with Professor Dr. Russum and Kim Simpson

**March 13 - 22, 2026 | Cost: \$3,000**

*See the world while taking your humanities course!*

Why just study history when you can walk straight into it? This study abroad trip takes you across England to the places you have only seen in books and movies. Stand at **Stonehenge**, a site shrouded in mystery, then step into the royal world of **Windsor Palace**. In **Amesbury**, meet archaeologist **David Jaques**, the man who uncovered Britain's very first settlement. Feel the awe of **Salisbury Cathedral** and then sink into the timeless luxury of the **Roman Baths of Bath**. In London, you will unlock the stories behind the **Tower of London**, the artistry of the **Victoria and Albert Museum**, and the global treasures inside the **British Museum**. This is not a tourist trip. This is a rare chance to live, study, and experience culture at the source. You will earn credit in **HUM2930: British Mythology of the Middle Ages**, exploring epic legends where they were born. Spots are limited, so secure your place now and be part of an unforgettable adventure worth posting about for years to come.
