“Fill your Toolbox” Workshop Assignment

9:00 am – 11:30 am, once a month on Saturdays
Schedule is posted on the EPI website at www.polk.edu/eipi

FEAPs #5 – Continuous Improvement, Responsibility & Ethics

e. Engages in targeted professional growth opportunities and reflective practices, both independently and in collaboration with colleagues

f. Implements knowledge and skills learned in professional development in the teaching and learning process

The Teacher candidate must attend one “Fill your toolbox” Saturday workshop before graduating from the EPI program, but is invited to attend all of the workshops. The teacher candidate can attend the workshop at any time during the program, but must be completed before graduation. After attending the workshop include the following in your summary:

1. Heading
Your name
Title of Workshop
Month you attended the workshop
Instructor name
2. Share 2 – 3 aha’s learned from the workshop. An aha is something that is suddenly seen or understood. Usually it is a pleasant surprise of learning.
3. Reflect on ways the workshop will strengthen the effectiveness of instruction in your present or future classroom.
4. How will you implement knowledge and skills learned in the professional development workshop in the teaching and learning process?
