

Polk State College Procedure

Subject	Reference	Date	Number
Safety Reports		7/27/10	7007

I. Purpose

This procedure describes the annual state safety inspection reports the College receives and prescribes the procedure to be used in responding to them.

II. Objectives

The objectives of this procedure are:

- A. To standardize process for handling the safety annual reports.
- B. To provide a safe environment to the community and the protection of property.

III. Scope

The following annual safety inspections which are conducted no later than June 30 of each year are required by Chapter 6A-2 of the Florida Administrative Code.

- A. Safety, Casualty and Sanitation Inspection
- B. Fire Safety Inspection

IV. Procedure

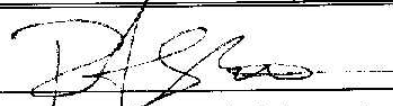

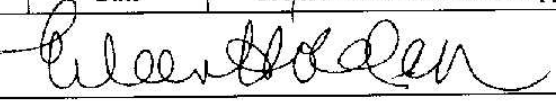

- A. Reports are received by the District Director of Facilities.
- B. The District Director evaluates reports to identify the corrective action and to establish a timeline for the corrective action.
- C. A comprehensive report will be prepared for the President with copies to Provosts which will include:
 - 1. Safety Reports for each campus and center and date estimate for corrections to be completed.
 - 2. Comments concerning the inspections and plans for corrective actions to be taken.
