

Associate in Science (AS) Nursing (Transition Track)

This Program Map is Part of the **Health Sciences Pathway**

This Program Map is for students who plan to earn an AS degree in Nursing at Polk State College. This program is a limited admission program. Students must complete pre-requisite courses, meet all program admission requirements and criteria, and submit a program application. Program spaces are limited. To learn more about the program pre-requisites and admission criteria, [please refer to the College catalog](#).

The Program Map for Pre-Admission Students is intended to serve as a guide for students to complete pre-requisite courses and general education requirements. It has been designed to illustrate the fastest path to finishing your degree. You can complete pre-requisite courses as your schedule permits.

Students should always meet with their Student Success Advisor to develop a personalized Educational Plan. The Program Map for Admitted Students presents the required sequence of courses for students who have been admitted to the program.

Program Map for Pre-Admission Students (See Note 2 Below)

Term	Course ID	Course Title	Credits
Term 1 13 Credits	ENC 1101	College Composition I	3 Credits

A Few Notes:

- Students must meet all graduation requirements. To learn more about graduation requirements, [please refer to the College Catalog](#).
- Students must have completed, or be in the process of completing, BSC 2085C, BSC 2086C, ENC 1101, MGF 1106 or MAC 1105, and PSY 2012 at the time they apply to the program. Students seeking to be admitted to the program during the 2019-2020 academic year may complete HUN 1201 prior to applying or within one year of program admission. Students seeking to be admitted to

the program during the 2020-2021 academic year must have completed, or be in the process of completing, HUN 1201 at the time they apply to the program.

3. Students must earn an appropriate score on a placement examination or complete MAT 1033 in order to enroll in MAC 1105 or complete MAT 1100 in order to enroll in MGF 1106. Students may also take any math course for which MAC 1105 is a pre-requisite.
4. Students may complete DEP 2004, ENC 1102, Humanities, and MCB 2010C prior to program admission or in any term prior to the term in which the course is listed.
5. Students are awarded 10 credit hours for holding a current license and/or certification. This credit is awarded once the student is admitted to the program and has started classes. For more information, [please refer to the College Catalog](#).

Program: AS-25615 - **2021-22 Catalog Year**
