

## Associate in Science (AS) Occupational Therapy Assistant

This Program Map is Part of the **Health Sciences Pathway**

This Program Map is for students who plan to earn an AS degree in Occupational Therapy Assistant at Polk State College. This program is a limited admission program. Students must complete pre-requisite courses, meet all program admission requirements and criteria, and submit a program application.

Program spaces are limited. To learn more about the program pre-requisites and admission criteria, [please refer to the College catalog](#).

The Program Map for Pre-Admission Students is intended to serve as a guide for students to complete pre-requisite courses and general education requirements. It has been designed to illustrate the fastest path to finishing your degree. You can complete pre-requisite courses as your schedule permits.

Students should always meet with their Student Success Advisor to develop a personalized Educational Plan. The Program Map for Admitted Students presents the required sequence of courses for students who have been admitted to the program.

### Program Map for Pre-Admission Students (See Note 2 Below)

**Total Required Program Credit Hours: 74**

**A Few Notes:**

1. Students must meet all graduation requirements. To learn more about graduation requirements, [please refer to the College Catalog](#).
2. Students must complete ENC 1101, BSC 2085C, and PSY 2012 before they apply to the program. Students may complete MGF 1106 or MAC 1105, Humanities, and HSC 1531 at any time before the end of the program. It is preferred that students complete HSC 1531 prior to enrolling in OTH 1800. Students must complete BSC 2086C prior to enrolling in OTH 1800.
3. Students must earn an appropriate score on a placement examination or complete MAT 1033 in order to enroll in MAC 1105 or complete MAT 1100 in order to enroll in MGF 1106.
4. Students may complete HSC 2554 prior to program admission. However, HSC 2544C must be completed prior to or at the same time as Term 3 courses. Students must complete the course prior to taking Term 4 courses.

Program: AS-25535 - **2021-22 Catalog Year**
