

AQC
September 21, 2015
LAC 1243/WMS 124
3:00pm
Agenda

- I. Welcome and Introductions
- II. Approval of Minutes from 4-20-15
- III. Information Items
- IV. New Course: SPN 2930 *Special Topics in Spanish*
Presenter: Ana Maria Myers
- V. New Program: Network Systems Engineering Technology, AS
Presenter: John Huff
- VI. New Courses:
CET 1014C *Introduction to Networking Tools and Systems*
CET 2621C *Scaling and Connecting Networks*
CTS 2376C *Cloud Essentials and Network Security*
Presenter: John Huff
- VII. Course Modifications:
CET 1174C *A+ Essentials*
CET 1600C *Network Fundamentals*
CET 2660C *Computer Network Security Fundamentals*
CET 2940 *Network Engineering Technology Practicum*
CTS 1162C *Microsoft Operating Systems Technology*
CTS 2110C *A+ Practical Application*
CTS 2321C *Linux System Administration I*
CTS 2374C *VMware vSphere: ICM v5.1*
CTS 2390C *Installing and Configuring Windows Server 2012*
Presenter: John Huff
- VIII. Program End Terms:
Network Systems Technology (Network Infrastructure Administration), AS
Network Systems Technology (Network Infrastructure Design), AS
Network Systems Technology (Network Server Administration), AS
Network Systems Technology (Network Virtualization And Cloud Technologies), AS
Presenter: John Huff
- IX. Course End Terms:
CET 1013 *Introduction to Network Systems Engineering Technology (NSET) and Information Technology*
CET 2615C *Scaling Networks*
CET 2620C *Connecting Networks*
Presenter: John Huff
- X. Course Modifications: EPI 0940 *Field Experience Professional Foundation* and EPI 0945 *Field Experience: Diversity*
Presenter: Beverly Woolery
- XI. Course Modifications: OTH 1800 *Level I Fieldwork* & OTH 2420C *Physical Dysfunction and Lab*
Presenter: Saritza Guzman-Sardina
- XII. New Course: ASC 2560 *Introduction to Unmanned Aircraft Systems*
Presenter: Eric Crump
- XIII. New Course: SLS 2930 *Special Topics in Student Success*
Presenter: Kim Thomas

Next Meeting: Monday, October 19, 2015
Proposals Due: Friday, October 2, 2015
