

Now is the time to reapply for financial aid!!

You must complete a new **FAFSA** (Free Application for Federal Student Aid) each year beginning in October for the Fall enrollment. Financial Aid Workshops are now available to assist you with completing the **2017-18 and 2018-19 FAFSA**.

WHAT'S DIFFERENT ABOUT THE 2018-19 FAFSA?

Starting with the 2018-19 Free Application for Federal Student Aid (FAFSA), the following changes have been put in place:

- **Students are now able to submit a FAFSA earlier.** Students have been able to file a 2018-19 FAFSA since Oct. 1, 2017, rather than beginning on Jan. 1, 2018. This gives students more time to complete the FAFSA, and potentially more time to compare aid offers from colleges.
