

Getting Started

After exploring the Career Educator Pathway tabs, do the following:

- Print out and save the course schedule from the website. You will need the reference # to register.
- Complete the Application/Registration process.
- Apply as a non-credit student
- Contact Sherri Davis at sherrid@polk.edu in the Educator Preparation Institute (EPI); office and let her know you have applied and registered for the Career Educator Pathway courses.
- The required textbooks are:

	<p><i>Demonstrating the New Florida Educator Accomplished Practices</i> Paperback, 2012 Pearson ISBN-13: 978-1-256-76146-4 Author: Lorraine Cross</p>
	<p><i>Preventing Death by Lecture!</i> Bowman, Sharon Paperback, 2001 Bowperson Publishing Company ISBN-13:978-0-9656851</p>

You may purchase books at our Winter Haven campus bookstore, or Amazon.com or Barnes and Nobles.com

- Go to Polk State College homepage at www.polk.edu and select the “PAL” link at the top of the navigation bar.
- Select “PAL Student Orientation” in the first paragraph text section of the PAL homepage. You will have a brief online orientation and learn how to log onto the Career Educator Pathways course online.

If you have any questions, please contact the EPI office.

Polk State College is committed to and encourages equal opportunity/equity/access for its programs, services and activities.
