### CYBERSECURITY SOLUTIONS THAT WORK FOR YOUR BUSINESS

Designed for convenience, the Polk State College Apprenticeship Partnership focuses on IT and related industries, with a specific emphasis on cybersecurity and developing apprenticeship programs within this field to include on-the-Job training (OJT) competencies or tasks.

Each eight-week course is online and self-paced. Upon completion of each course, students will:

- Earn 3 college credits
- Be eligible and prepared for national certification testing
- Be able to validate related OJT requirements

#### REQUIREMENTS

- Must be at least 17 years old
- Must have a high school diploma or GED
- Must be currently employed in an position that has an Information Technology function
