Bartow, FL 33830

## **MARY OWENS, MBA**

Mary Owens has spent 35 years driving business results in manufacturing. Her work ranges from global organizations to local and regional manufacturers. Her drive and passion is in partnering with organizations to help them reach new levels of success. Mary believes organizations can accomplish amazing things in the right atmosphere, surrounded by the right support structure and resources.

Mary is recognized as a visionary leader and change agent who firmly believes that “nothing is beyond your reach.” She has produced extraordinary growth in sales, profitability and efficiencies for many companies. Mary has extensive experience in Leadership, Business Evaluation, Lean Implementation, Strategic Planning, Business Development, Sales Management, Distribution Management and Marketing.

Mary has a BS in Mechanical Engineering from University of Missouri, an MBA from St. Louis University and Industrial Distribution Certification from Texas A&M. She is a Certified Quality Facilitator, Certified Executive Coach and a Certified Behavior Analyst. In 2009, Mary was awarded the Chairman’s Award and was a finalist for Tampa Bay 2010 Business Women of the Year. She was also awarded the YWCA Women in Leadership Award.

She is a published columnist and is Managing Editor for a quarterly magazine. She has served the community through involvement and leadership positions at Small Business Development Center, the Small Business Resource Network, STAR Technology Center, Project Cure, YMCA, Christian Business Connections, Foundation for Youth Development, United Way, and St. Stephen Catholic Church.
