

National Honor Society (NHS) is a club for dedicated and caring students that strive not only to excel in school, but also devote the same amount of time towards serving others. This club is not about what we can do to better things for ourselves, but rather a club focused on serving the community and making it a better place while still having fun and enjoying how we go about it.

We have a yearly “Canned Food Drive,” to feed the underprivileged and disadvantaged. Secondly, there is a CiCi’s Pizza Fundraiser, where we cleaned tables, collected tips, and have a good time. Thirdly, there is the “Toys for Tots” collection to donate toys for children who did not have the luxury of waking up to gifts under the Christmas tree. In addition, we are now compiling information and getting ready for our last two fundraisers, which include “March for Babies” walk, and our annual “Car Wash” event. Lastly, the "Teachers Pet’s" activity is where students work alongside a faculty person to assist them, whereby they receive community service hours for the work performed.

NHS set meeting is on the first Monday of every month at 1:45 pm. The meetings are held in the "chill room". However, students with schedule conflicts can still get the information said during the meeting by talking to the officers or inquiring with Dr. Maxwell-Terrell. There are also meetings for officers once a month whose dates are designated at the beginning of the year. If you are not sure about a meeting, please contact Dr. Maxwell-Terrell at 863-669-2322, or mckemaxwell@polk.edu
