NOTES:

- Student must pass an assessment flight with Polk State flight training provider before credit can be given. Results of assessment will be reviewed by Polk State Aerospace Program Director for final credit determination. The student is responsible for the cost of the assessment flight and any necessary remediation.
- An assessment flight is not required if:
 - A student holds an FAA Airline Transport Pilot Certificate; OR
 - A student has logged more than 1,000 hours as pilot-in-command in airplanes.

- FAA Certified Flight Instructor certificates must be current and unexpired.
- Students may not receive articulated credit under this agreement if they have already completed any ASC, ATF, ATT, or AVM courses at Polk State College.
