**Questions & Answers**

Q#1: Do you expect that landscape architectural responsibilities will be part of the package concerning the meeting on the 13th?

A#1: No, landscape architecture responsibilities are not expected to be part of the package.

Q#2: RFQ (16-01 A/E Services for Continuing Services), the pre-proposal meeting date is listed as June 13—believe that is a typo since the proposal is due June 6. Can you please send me the correct date and time of the pre-proposal.

A#2: Pre-proposal conference, Friday 5/13, 2:00PM, WLR-104.

Q#3: I've clicked on the link on page 16 of the PDF (document page number 12) for the Word versions of pages 28 through 40 as directed. Unfortunately, it leads to a Page Not Found indication.

A#3: URL corrected and PDF documents available to download.
