Dear Dr. Holden:

The following actions regarding your institution were taken at the June 2011 meeting of the Board of Trustees of SACS Commission on Colleges.

The Commission on Colleges reaffirmed accreditation. No additional report was requested. Your institution's next reaffirmation will take place in **2021** unless otherwise notified.

The Commission on Colleges continued accreditation following the review of membership at Level II offering the Bachelor of Applied Science in Supervision and Management (*approved June 2009*) and following the review of off-campus sites at Airside Center in Lakeland, Florida, and JD Alexander Center in Lake Wales, Florida. No additional report was requested.

Please submit to your Commission staff member a **one-page** executive summary of your institution's Quality Enhancement Plan. The summary is due **August 15, 2011**, and also should include: (1) the title of your Quality Enhancement Plan, (2) your institution's name, and (3) the name, title, and email address of an individual who can be contacted regarding its development or implementation. This summary will be posted to the Commission's Web site as a resource for other institutions undergoing the reaffirmation process.

All institutions are requested to submit an "Impact Report of the Quality Enhancement Plan on Student Learning" as part of their "Fifth-Year Interim Report" due five years after their reaffirmation review. Institutions will be notified 11 months in advance by the President of the Commission regarding its specific due date.

We appreciate your continued support of the activities of the Commission on Colleges. If you have questions, please contact the staff member assigned to your institution.

Sincerely,

A handwritten signature in cursive script that reads "Belle S. Wheelan".
