

2022-23 DUAL ENROLLMENT ELIGIBILITY AND TESTING INFORMATION

Florida Rule 6A-10.0315 was updated in the Spring of 2022 and now allows students more opportunities to qualify to take Dual Enrollment courses. In addition to meeting the unweighted GPA requirements, students may meet the testing requirement through any combination of **several assessments** and even a high enough final grade in **several high school courses** (see tables below).
