

Faculty Senate Vice-President Report WH Campus

Monday, April 8, 2013 - 3:00 p.m. LAC 1243

1. **Faculty Forum** - The results of the Faculty Forum for the Spring 2013 will be discussed via meetings with the WH Provost and WH Academic Dean. The results will be reported to the Senate and faculty community via email updates. This will preclude the delay of reporting results until the next scheduled Senate during the fall of 2013.
2. **Student Authentication and Test Committee** – The committee has not met since Friday, February 15, 2013 at 11:00 a.m. No new information to be disseminated at this time.
3. **Swipe Card Access WLR Building** – There is a new swipe card access installed on the north entrance of the Learning Resource Building of the Winter Haven campus. At this time, Facilities and the software vendor are implementing program changes and installing an emergency override for the exterior door. Changes are expected to be completed by next week (4/12/2013). Until the changes are completed, the building will be open or closed based on the current Genesis calendar. Over the next week, Keith Smith will be contacting Dr. Santiago and requesting names of staff and faculty requiring building access during non-business hours. Building access information will be remotely added to the existing swipe disc located behind the ID cards of those who currently have them.
4. **Preview of Newly Renovated WH TLCC**- Renovations for the WH campus TLCC are just about completed and, at this time, interested faculty and staff may tour the logistical layout. The TLCC manager, Gerry Hubbs, is happy to provide a tour of the prospective spaces.

Respectfully submitted,

Greg Harris – Vice-President, WH Campus
