- College of Education and Professional Development
- College of Arts & Media
- College of Health Professions
- Honors College
- College of Information Technology and Engineering
- College of Liberal Arts
- College of Science
- Office of Outreach and Continuing Studies
- University College

Candidates must be between 17 and 23 years of age upon entrance.

Must be unmarried with no children and of good moral character.

Candidates must also already possess a Social Security Number in order to apply for admissions

A preliminary application must be submitted to become an official candidate for next year's entering class. If you have applied for our Summer Seminar program, please do not submit a preliminary application, as these two applications are the same.

After being designated as an official candidate for admission, all applicants will be notified by mail, typically in June before your senior year. Within your candidate letter will be important instructions on how to proceed with the application process.

If you are found scholastically qualified but do not receive a Letter of Assurance, you will be competing for an Offer of Appointment from within your nominating sources. Approximately 3,000 candidates are found fully qualified (scholastic, medical, CFA, and have obtained a nomination) each year. Of that number, about 1,400 will receive appointments and approximately 1,200 become midshipmen. **Most candidates will be notified of their final status by April 15.**
