

TALON Robotics

Partial Fee Waiver Guidelines

Through the generous contributions of Polk State TALON donors, some scholarship relief will be available for those with significant need.

This year, all participants will be required to pay a registration fee of \$35.00.

Partial fee waivers will be awarded on a sliding scale based on household income and number of persons in the family. To assist us in determining eligibility, we will use the established Federal Income Eligibility Guidelines.

Anyone wishing to apply for a partial fee waiver will be required to provide proof of household income at the time of application.

In order to qualify for a partial fee waiver, you must meet all of the requirements below*:

1. Complete the request for fee waiver
2. Submit proof of good academic standing (3.0 or higher GPA requirement)
3. Submit proof of exemplary discipline record (no more than 1 referral per year)
4. Demonstrate financial need and submit proof of income

Current Year Income Tax Return

5. List members in household

***Polk County students' academic standing, and discipline record to be verified by the school district (or in the case of a private school- further documentation).**

Fee Waiver Request Form

Student Name: _____

Parent Name: _____

I request consideration for partial fee waiver and give permission for Polk State College TALON Robotics Program to review financial status, academic standing, and disciplinary records of the student applying for the waiver.

- Good academic standing (3.0 or higher GPA requirement)*
- Exemplary discipline record (no more than 1 referral per year)*
- Financial need and proof of income

Current Year Income Tax Return

- List members in household
